These Drop In and Half Days are determined according to the PPS calendar for nearby schools. In the event that PPS adds remote learning days or closures, it is subject to availability and requires written authorization EACH time. Sprouts may not be able to accommodate other public or private school schedules.

In order to streamline the billing process, tuition fees are the same regardless of holiday or weather related closures. Days off are factored into over all tuition rates. There may be closures or delays for inclement weather. These announcements will be posted in Brightwheel as well as via WTAE. Schedule subject to change.
